CHI OVERHEAD DOORS

THE DOOR TO QUALITY.

9' x 7' 2255 white with optional cathedral window inserts

MODEL 2250	Short Panel, Uninsulated
MODEL 2251	Short Panel, 1-3/8" Insulated
MODEL 2255	Short Panel, 9/16" Insulated
MODEL 4250	Long Panel, Uninsulated
MODEL 4251	Long Panel, 1-3/8" Insulated
MODEL 4255	Long Panel, 9/16" Insulated

- Door sections are formed from heavy, 25-gauge galvanized draw quality steel
- Section joints are roll-formed into a tongue-and-groove design which produces a superior weather seal
- Inside stiles are made of galvanized steel and stile holes are "dimpled" for increased holding power
- Bottom weather seal utilizes an aluminum retainer and extruded virgin vinyl
- Extension or torsion springs are individually computer-calibrated to lift your door
- Extra-heavy paint system consists of .25 mil. primer with rust inhibitor and a .75 mil. coating of baked-on polyester paint in your choice of white, almond, sandstone, or brown
- Hinges are stamped from galvanized steel in a "wide body" pattern for greater stability and longer life
- **Models 2251/4251** include 1-3/8" polystyrene insulation with a vinyl back cover
- **Models 2255/4255** include 9/16" polystyrene insulation with a vinyl back cover
- **Models 2251/4251** R-value - 6.85
Models 2255/4255 R-value - 3.29

Built for both longevity and value, this door recreates the elegant look of wood with a deeply-embossed, distinctive panel design. It has the appearance of our top-of-the-line models, yet remains economical and efficient - making it one of our most popular models. Available in four designer colors, these durable steel doors complement the look of almost any home.

DURABLE.
ECONOMICAL.

- SECTIONS**
 C.H.I. hereby warrants their steel garage door sections against splitting, cracking and rusting through.
- Residential applications are covered for as long as the original purchaser/home owner owns the building the door was installed in except as noted below.
 - Model 2200 and model 2201 are covered for five (5) years.
 - Series 5330 and 5330 carriage house doors are covered for three (3) years.
 - Field painting of series 5330 and 5330 doors with dark colors less than 50% light reflectance rating will void warranty.
 - Series 5430 wood carriage house doors are covered for one (1) year.
 - Finishing of series 5430 wood carriage house doors is an inherent characteristic and is not considered a defect.
 - Series 5430 doors must be field painted according to C.H.I. painting instructions prior to installation.
 - Commercial applications are covered for ten (10) years.

LIMITED WARRANTY Residential • Commercial

- OTHER COMPONENTS**
- C.H.I. warrants all hardware except springs as follows:
 - Residential 25 gauge year door hardware is warranted for three (3) years.
 - Residential 24 gauge year, sunburst and carriage house door hardware is warranted for an (8) year.
 - Model 2200, model 2201 and Commercial door hardware is warranted for one (1) year.
- SPRINGS**
- C.H.I. warrants springs in residential applications as follows:
 - Three (3) years for doors up to eight (8) feet high and one (1) year for model 2200 and model 2201.
 - One (1) year for doors over eight (8) feet high.
 - C.H.I. warrants springs for one (1) year in all commercial applications.

All warranty periods begin from date of manufacture. In the event the door is defective, a claim in writing must be submitted to C.H.I. Overhead Doors P.O. Box 2600 Arthur, IL 61911. Such notice must be made within fifteen (15) days of the discovery of the suspected defect. After notification, C.H.I. shall then be permitted to inspect the door within a reasonable time, and upon verification of a defect will repair or replace, at its option, the defective part(s). This Limited Warranty applies only to C.H.I. doors and excludes (1) rust caused by damages or scratches, (2) damages resulting from exposure to corrosive chemicals, corrosive fumes, condensation, or fire, (3) damage caused by accident, improper use, negligent operation, improper installation or improper maintenance, (4) labor to replace parts, (5) performance of coatings used to finish the door, (6) minor expansion and contraction gaps in ceiling material on carriage house doors, (7) damages resulting from causes beyond the manufacturer's control. **C.H.I. SHALL NOT BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY BREACH OF THIS EXPRESS LIMITED WARRANTY**, including but not limited to any damage to buildings, other property, or to persons or damages sustained by any persons whatsoever, or the recovery of any direct or indirect costs such as shipping, installation, labor charges, paint or painting, or other building materials. This warranty is nonassignable.

** For all available window options, please see our Glass Options Brochure, or visit your C.H.I. Distributor.
