

THE DOOR TO QUALITY

**MODEL 5250**    Uninsulated

**MODEL 5251**    Insulated

- Models 5250/5251 offer the durability of tough 25-gauge draw quality steel in a pan-type product
- Extra-heavy paint system includes .25 mil. primer with rust inhibitor and a .75 coating of baked-on polyester paint. Available in white, almond and sandstone
- Heavy-duty 16-gauge hinges with "wide body" pattern for greater stability and longer life
- Long-lasting durable rollers assure consistent, efficient operation
- Extension or torsion springs are individually computer-calibrated to lift your door
- Standard decorative hardware is available for all doors as well as optional Wrought Iron designs to replicate an old world look
- Exterior decorative hardware includes 4 hinges, 2 handles and pop rivets for mounting to face
- Glazing options include plain glass and glue chip glass with five optional insert designs
- Inside stiles are made of galvanized steel and stile holes are "dimpled" for increased holding power
- Model 5251 includes 1-3/8" polystyrene insulation, with a vinyl back cover
- Model 5251 R-value - 6.85\*
- Patented design

\* Calculated in accordance with ASHRAE standard formulas

9' x 7' 5251 white with optional arched madison window inserts

The 5250 all-steel Carriage House door adds an additional option to the 5200 series. It combines the beauty and elegance of C.H.I.'s premier Carriage House models with the value of a pan-style door. Deeply embossed 25-gauge steel provides the traditional look of wood, and several window and color options make the 5250 an attractive yet economic choice from C.H.I.

CHARMING.  
PRACTICAL.

## WINDOW & GLASS OPTIONS
